Lee Accuses Councillors of Fight for first Mayor

The Shire President Cr. H. W. Lee, on Tuesday night accused the non-party councillors of delaying the shire becoming a city so that one of them would become Altona's first mayor.

"And if that is the case," declared Cr. Lee, I will resign. And resign immediately if necessary."

"The same people who campaigned that they would put Altona first and themselves last have not borne out their promises by their actions."

Cr. Lee ordered Cr. W. L. J. Crofts to sit down three times during the debate. On each of these occasions, Cr. Crofts had risen to protest against Cr. Lee's comments.

Cr. G. den Dulk moved that the shire secretary, Mr. J. W. Waters, begin preparing the way for Altona to become a city — but his move was defeated by Cr. Crofts' amendment to appoint a three-man committee to examine the question and report to council on May 27.

On a notice of motion given six days before the meeting, Cr. G. den Dulk moved that the shire secretary prepare the necessary petition to the Government to change the shire into a city. Cr. A. W. Bond seconded the move.

Cr. Crofts called for an amendment that the change be studied by a committee of three councillors who would seek

opinions from ratepayers and make a report to council on May 27. Cr. Grant seconded this.

**"IT'S TIME
FOR A CITY"**

Backing his own motion, Cr. den Dulk said: "I have felt for some time that this municipality is big enough to become a city. At our tenth anniversary as a municipality, the Minister for Local Government, Mr. Hamer, said it was about time Altona should become a city."

"We promised ratepayers we would bring this up in early 1968 and we should keep this promise."

Delaying it would do us more harm than good. Ninety-five per cent of the people have no objection.

"Over the years we have tried to get recognition, combatted adverse publicity."

"We are not the Cinderella of Melbourne."

"But we have had difficulty in getting professional people like teachers to come here. We are 50th on their list of preferences."

"By creating a city we go towards changing this. Remaining as a shire we remain on the tail end."

"I felt this so much when I was shire president."

"If we are the elected representatives, then we should make the decision. We should not have a board of inquiry."

"They (other councillors) talked to the Press. They didn't want to discuss it here."

"The boom of five years ago has slackened. This will make us forge ahead again," Cr. den Dulk said.

**COUNCIL WAS
NEVER TOLD**

Cr. A. W. Bond said he was surprised to read in the Altona Star Cr. Crofts' comments on what the change would cost — "It was not given to this council."

"Another thing was said — that we had 10 years to do it."

"We DIDN'T have 10 years. We had a terrible debt to Werribee, and we could not go for city status while that was still hanging over our heads."

"And this means that I have to go to the Altona Star to find out what is going on in this council," Cr. Bond said.

**CROFT DENIES
THE CLAIM**

Cr. Crofts said the figures he had given to the Star were from his memory. "I stated that the shire was so much in debt."

"These figures" were given to every councillor. They were taken from the record. There was nothing secret about them.

"Cr. Bond said I went to the newspaper. I did NOT go to the newspaper."

"I want to compliment the Star on their reporting — on their accuracy."

Cr. Crofts added he wanted Altona people to express their views. "Then we will bring down plans for when Altona is to be made a city and it will be done properly."

"Last year, for the first time in six years, we met the budget, and if the finance committee is allowed to continue its work then we will further reduce the deficit."

"I would like to see Altona a city tomorrow — yesterday!"

"But I don't want it to be said, 'Well, it could have been done later.'"

**"THE HASTE
IS WRONG"**

Cr. D. G. Grant said: "I am not opposed to Altona becoming a city, but to the haste. I do not think the shire secretary's case was ample enough."

"As regards the comment that there will be no financial burden, well let's weigh it right out."

"If Cr. den Dulk says it is urgent then why wasn't it done last year?"

**"ATTEMPT TO
STIFLE THIS"**

Cr. Lee told the council meeting: "It is about time we aired the situation."

"What haste?"

"I should have expected it to go through normal channels, through various committees and with council finally giving a determination. The original mover never suggested a departure from this."

"But an attempt was made (at the last council meeting) to completely stifle this until such a time as suited those."

"I contend that Cr. Crofts' gagging was a deliberate attempt to gag himself."

"He used his by-laws book to use procedure that had never been used in the 10 years of this council."

"I have got a good idea what these particular reasons were."

"That date (May 27) has a lot of significance."

"It is this. A decision could not be made before that date, then no petition to the Government would be successful until the council meets again in August — after the next council election."

"Then the first mayor of Altona would be one of themselves."

"And if this is the case, I'll resign. Immediately if necessary."

**"WHY PICK
MAY 27?"**

"The same people who campaigned that they would put Altona first and themselves last have not borne their promises out by their actions."

"The amendment calls for a committee of three. How will these be chosen. Why the limit. Why the particular date?"

"The real truth of the situation is that we have nothing to lose. The suggestion to the Press is the cost. But there is a way out of these things."

"Celebrations need not be great expenses as far as the shire is concerned. When Altona became a municipality there was a procession through the streets."

**TITLE IS
IMPORTANT**

Cr. Lee said he did not realise how important the title of city was until he became shire president.

"It is important at council level."

**ALL THE
COUNCILLORS
WERE
NOMINATED**

When nominations were called for councillors to sit on the committee, almost every councillor moved the name of another councillor, so that every councillor at the meeting was nominated.

Cr. J. J. Ginnifer was not nominated. He was in Parliament.

Amid the clamour of names being called, Cr. Crofts nominated Cr. Bond, Cr. den Dulk nominated Cr. Lee, Cr. Burns nominated Cr. Crofts, Cr. Weaver nominated Cr. Grant, Cr. Grant nominated Cr. Weaver, Cr. den Dulk nominated Cr. Burns, Cr. Lee nominated Cr. den Dulk (who immediately declined) and Cr. den Dulk nominated Cr. Lynch.

After five minutes adjournment to hurriedly work out how to call a ballot, Cr. Lee said he was withdrawing, and he was quickly followed by Cr. Burns.

"If you're out, so am I," he said.

With five candidates left, a ballot paper is to be drawn up and a vote on the preferential system will be made at next council meeting.

el, perhaps not at all at ratepayer level.

"I have seen how the status of city helps in getting things done, its influence."

"Cr. den Dulk is absolutely right when he says the Minister asked us about becoming a city. Perhaps we should have done so years ago, but at the time I did not think it necessary."

"The subject of finances is a subterfuge. OK, I hear the smirks from the public gallery, but 10 years ago we had nothing in this shire."

"We had no public buildings save the old Homestead and a child centre being built. We had to develop the municipality. We had to spend. We have built out of nothing what we have today."

"Altona is now a place where people want to come and live, when it was once a place where people may have had to come because of their economic circumstances."

**A TIGHTLY HELD
GROUP**

"The other side call themselves Non-Party. I have never seen such a tight a group as they."

"And one man, all he could do"

At this point Cr. Crofts objected. Cr. Lee told him to sit down.

Cr. Lee went on: "I have said things that have undoubtedly hurt people. But if councillors are genuine in their claim that they are non-party."

Cr. Crofts interjected: "I ask for a withdrawal. That's an insinuation."

Cr. Lee: "Will you please resume your seat. I say if you are genuine, and I am not saying you are not, then you will bring down a decision that will be to the benefit of Altona, and not to be adverse to Altona."

Cr. Grant: Do you know how much a celebration would cost?"

Cr. Lee: "No."

Cr. H. Weaver asked the Shire Secretary, Mr. J. W. Waters, "who is the Deputy Shire President?"

Cr. A. W. Bond, replied Mr. Waters.

Cr. Lee asked the reason for the question.

Cr. Weaver explained that he is a new member of the Council and as Cr. Lee was threatening to resign he wondered who is the Deputy Shire President.

**NATURALISATION
CEREMONY**

Forty five candidates for citizenship will be presented at a Naturalisation Ceremony in the Civic Hall next Wednesday, March 20.

Shire President Cr. H. W. Lee will conduct the ceremony.

Catering arrangements are in the hands of the Altona U.N.I.C.E.F. ladies.

Cr. Lee invites the public to attend the function which commences at 8 p.m.

**CALL FOR
AFFIDAVIT**

Cr. den Dulk called for Cr. Crofts to sign an affidavit saying that he did not approach the newspapers. Cr. Crofts said he did not approach the newspapers. "I only want to congratulate them."

Cr. Lee: "Are you prepared to state this on affidavit?"

Cr. Crofts: "I am not prepared to answer that question."

The amendment that the committee be set up was carried with only Crs. den Dulk and Bond voting against it.

**ALTONA MAKES
CRICKET HISTORY**

This week Altona Cricket Club really put themselves on the map and at the same time made history in the Williamstown, Altona and Footscray District Cricket Association. The three teams, A, B and C Grades, all won their way into the grand finals.

This is the first time any club has achieved this great distinction.

In the clubrooms on Monday night after the games, excitement ran high and all teams will be really on their toes next weekend when the grand final games commence.

The A and B Grade XI's will be playing at Fearon Reserve, Williamstown, whilst the ground for C Grade has yet to be decided.

It is hoped that the Altona residents will rally at the grounds to cheer on these local lads who have played so hard and well to reach their present position.

**Sewerage Facilities
for more Altona Nth.
Residents**

Another 440 Altona North properties can now be connected to the sewer.

One hundred and thirty six of them are in the area bounded by Millers Road, Blackshaws Road, Chambers Road and Beuron Avenue.

The larger area of 304 lots is bounded by Millers Road, Cyclamen Avenue, Kyle Road and Blackshaws Road.

The properties will be taken to be sewer properties within the meaning of the relevant Act from March 21.

Thus the owners have six months from this date to connect to the sewer.

After September 21, if not connected, action can be taken against them under a local by-law.

Owners may have the work undertaken by plumbers who have the approval of the Board of Works.

However, if finance is required, the owners must make application to the Board which will place them on the waiting list.

For a property without septic sewerage plumbing costs are in the vicinity of \$400-\$500.

DEADLY OCTOPUS FOUND ON ALTONA BEACH

A small deadly blue-ringed octopus was found on Altona beach close to the old Explosives Pier last Thursday morning.

Mr. Ben Lockwood of the Esplanade said it was found in the seaweed at the water's edge near where the wide Altona West drain now under construction enters the sea.

He broke the top half off a bottle he found on the beach and carried the octopus in the bottom half.

The operator of the dragline dredging out the drain contacted the Commonwealth Serum Laboratories.

Dr. Sutherland of the Laboratories confirmed it was one of the deadly species which have caused fatalities.

Overall it measured only 11" from tip to tip of outstretched tentacles. It can be identified by its noticeable blue rings.

When asked if this was the first found at Altona, Dr. Sutherland replied "No, a few have been found in this area, and in fact there is practically no bay side beach on which they have not been found."

EDITORIAL

Spastic Care

Two Altona committees are now assisting spastic children and adults.

The Altona Spastic Relief Association has for its objective the building of a hostel to relieve parents of spastics by providing full care as occasionally needed. This project was not authorised by the Victorian Spastic Children's Society so the local body has decided to "Go it on our own".

Two things may be said. This facility is definitely needed. The parents of spastics are few in number but their need is great and it cannot be relieved in any other way. The cost will also be great but the citizens of Altona have the capacity to meet it.

The committee has set themselves a difficult target but in so doing they have shown their faith in Altona.

The Altona Spastic Aid Committee was previously known as the Chislon Spastic Aid Committee. It is a committee of nine who under Mrs. L. Oakes have through the years provided very substantial aid to Chislon Spastic Centre.

The Altona Spastic Aid Committee will as its name suggests do all it can to help local spastics. All monies raised will help this cause — may go to assist Chislon or it will be applied as the need is felt.

Through their committees Altona people have an opportunity to help in this work of compassion.

More Sewerage for Altona North

The remaining unsewered properties in the Altona North section of the Sunshine electorate should be sewered within 9 mths. time said the Minister of Public Works in Parliament last week.

Mr. D. Lovegrove, Member for Sunshine, had asked how many unsewered premises there were in his electorate.

It was revealed approximately 1,066 properties were unsewered and these are situated almost entirely in the south-western sector of Altona North.

Sewers will be available for the majority of these properties including several schools and kindergartens in approximately nine months time, said the Minister.

Change of Manager at "Wales"

The Bank of New South Wales has appointed Mr. L. T. Fairbairn as manager of the Altona branch in lieu of Mr. A. R. Hall, who was transferred to the Melbourne Office shortly after he took up the Altona appointment.

Mr. Fairbairn has served in a number of rural and metropolitan branches of the "Wales" in Victoria, and was manager of the Cobarr branch in far west N.S.W. for a period of two years. Since returning to Victoria in 1967 he has been attached to the relief staff.

During World War II he served as a pilot with the R.A.A.F. in the South West Pacific, and now takes an active interest in R.S.L. activities.

His sporting interests include swimming and golf, and he has recently taken up bowls.

Mr. Fairbairn is looking forward to meeting clients and new friends in Altona and district.

Close Finish in Bowls Pairs Championship

Esme and Lorna Walsh are the new pairs champions of Altona Ladies Bowling Club. In a close match they defeated Glad MacKellar and Lillian Pilcher 13-11.

Played on the one cold and windy day this year the final match was an interesting and exciting game.

All four players bowled well. At the finish of play for the scheduled 16 ends the pairs finished 11-11.

A further end was played and the winners decided by the score of 13-11.

Runner-up Glad MacKellar reached the pairs grand final in her first year of bowls.

Ex-Altona bowler Vera Bush, now playing with the Seddon Club, skipped the winning rink at Altona's Interclub Day attended by many visitors last Thursday.

It was a perfect day and conditions were good for bowling. Runners-up were Vera Douglas, Beryl Davis, Dick Douglas and Jan Douglas — quite a family team.

Special effort was won by Maisie Blair.

The No. 3 Ladies team has received the flag for winning their series in the 1967-68 pennant series.

Members will be surprised to learn that Madge Williams, secretary of the Victorian Ladies Bowling Association, has retired from office.

Ruby Fisher reports she and Vera Sevier had an enjoyable day at Geelong Lawn Tennis Bowling Club during Country Week.

Edna and Ted Ayre have returned from a holiday at Surfers Paradise.

MOTORISTS CAUGHT BY AMPHOMETER

A number of speeding charges resulted from an Amphometer being in operation on Millers Road, between Douglas Street and Ross Road, Altona North, last October 9.

They were heard in Williamstown Court last week and police witness was Constable L. Knight of the Mobile Traffic.

Found guilty of exceeding 35 miles per hour were —

Fined \$40 for doing 50mph was Ronald George Ashdown of Essendon. He was also fined \$20 for failing to produce his licence within 7 days.

Douglas John Cole of Jacana was fined \$35 for a speed of 47 m.p.h.

George Colin Greelish of Amaranth Avenue, Altona North pleaded guilty to exceeding 35 m.p.h. Const. Knight gave evidence that the amphotometer showed 50 m.p.h., and defendant told him he was taking his son to the doctor.

Greelish admitted two prior convictions for speeding but Mr. M. Robertson, J.P., and Mr. F. Lovegrove, J.P., said they would take into account the circumstances and fined him \$40.

51 m.p.h. brought a \$40 fine for Nancy Elizabeth McKinnon of Geelong Road, West Footscray.

Horace Irvine Raymond of Reservoir was fined \$40 for doing 51 m.p.h.

Jeffrey Norman Stewart of Ringwood was fined \$40 for a speed of 52 m.p.h.

Forty dollars was the fine for David McCrae Taaffe of Black Rock who was travelling at 50 m.p.h.

James Thompson of St. Kilda was fined \$40 for doing 51 m.p.h.

NO ASSISTANCE GIVEN INJURED CYCLIST

For failing to assist an injured cyclist and not giving his name and address a motorist lost his probationary licence and was fined \$30 on each charge at Williamstown Court last week.

Geoffrey Eric Eishold of Queen Street, Altona, pleaded guilty to the charges of not rendering assistance and for failing to give his name and address to the injured person.

The charges arose from an accident on November 25 in Queen Street, Altona.

Robert John Russell of Upton Street, Altona told the Court he was riding his bicycle West along Queen St. when he heard a car about to overtake him. He started to move closer to the gutter.

The car caught his rear wheel and he fell off his bicycle. His wrist was injured by the fall.

Russell said the driver stopped and said something from his car but he could not hear. The motorist then drove away.

Giving evidence, Frank Howard of Blyth Street, Altona, said he was with Robert Russell when Russell was knocked off his bicycle.

He also said the driver called out and then drove off.

Senior Const. John Dix of Altona read a statement Eishold had made to him.

In it Eishold stated there were 3 boys on bikes on the road and as he passed, one bike moved over towards him.

He swerved to the right but could not avoid the bike.

Eishold stated he thought the bikes were in the wrong. The boy got up and walked away with his mates so he thought he was all right.

Eishold said he told the boy to watch where he was going and drove off. And he did not think it necessary to report the accident or to do anything else.

Eishold was found guilty. He was granted a stay of 7 days to pay the fines.

\$60 Fine for Failure to give way to Right

Failing to give way to the right cost an Altona North man a fine of \$60 plus the suspension of his licence for 6 months.

George Graham Marescu of Primula Avenue, Altona North, was not present when the charge against him was heard in Williamstown Court last week.

He was found guilty of failing to give way to the right at an intersection.

Mrs. Irene Doris Barnes of Charles Road, Altona gave evidence that about 8.40 p.m. on October 5, 1967, she was travelling North along Pier Street and slowed down as she came to Civic Parade.

She could see no traffic so made a right hand turn and had almost finished the turn when she heard another car which struck her car in the rear. Mrs. Barnes said she did not see any other car before the accident.

Const. D. W. Wilsher of Altona told the Court he went to the scene of the accident.

A Dodge truck and Holden were involved and a fire hydrant was broken.

Marescu told him he was travelling East in Civic Parade when a car came out of Pier Street and made a right hand turn. Although he slammed on his brakes he hit the car, then ran up on to the kerb and hit a fire hydrant.

When asked why he failed to give way to the vehicle on his right, Marescu replied, "I thought I would get the blame, I had no chance of avoiding the accident."

Four prior convictions were proved to the Court. The defendant was fined \$60 and his licence suspended for 6 months.

Took Fellow Sailor's Car Without Permission

An unlicensed sailor has been fined \$250 for driving a car from Williamstown to Kew without the consent of the owners.

Ordinary Seaman Ian Robert Browning, 17 years, of HMAS Anzac pleaded not guilty in Williamstown Court last week to a charge of taking and using a motor car on January 27 without the consent of the owner. He pleaded guilty to a charge of driving without being licensed.

Ordinary Seaman Steven Geoffrey Ruff of HMAS Anzac told the Court he was part owner of a car he left outside the dock gates at Williamstown on January 27 and which was not there later in the day.

Ruff next saw the car which had been damaged to the value of \$130 at Kew Junction.

He told the court defendant rang him from Kew and said he had knocked off the car and damaged it. However, he offered to pay for it.

The other part-owner of the car, Ord. Seaman Andrew Peck, agreed with the evidence and said he did not give Browning permission to use it.

Detective N. Nunn of Sunshine CIB gave evidence of Browning making a statement, in which he said he came off the ship and went straight to the car.

It was locked but he got through a window which could not be locked.

Browning stated he had not asked for permission to use the car but took it for granted he could borrow it.

He had talked about buying a car with the other two but they had gone ahead and bought this car on their own. The engine seized when he was at Kew Junction and he rang the ship.

Browning was found guilty and fined \$50 for being an unlicensed driver and \$200 in default 3 months good for taking the car. He was granted a stay of 28 days.

Oversized Loads to Move Through Altona

Oversized loads will be moving along the roads from Altona to the natural gas developments in Gippsland

Traffic lights at the corner of Millers and Blackshaws Rds., Altona North are expected to create problems for the over-dimensional loads.

The Country Roads Board has requested the Altona Council to alter the lights so that they can be easily removed for the passage of loads and then reinstated.

In reply to a question in Parliament by Cr. A. W. Knight, M.L.C., the Minister of Agriculture said that after passing through the intersection these loads bound for Gippsland will travel north along Millers Road to the Princes Highway thence by designated routes through Melbourne to Gippsland. The alterations to the traffic lights will not affect normal traffic movements.

BROTHERS PLAN FURTHER TRAVEL

Home again after going around the world by ship, touching all continents and setting foot in more than 30 countries are brothers Graham and Peter Brennan of Blyth St., Altona.

Twelve months ago they sailed via the Suez Canal to England. Last Friday week they disembarked from the Oronsay in Sydney after a trip from Southampton which brought them through the Panama Canal.

Final leg of their working holiday was from Sydney to Melbourne by air.

The brothers have returned with the conviction that there is no place like Australia — for its climate, its working conditions and living conditions.

But, if the opportunity arises, they will be off again. They hope to travel further in 1970. And they say all young Australians should make the effort to go overseas.

SAW TROUBLE BREWING IN MIDDLE EAST

Ports of call on the way to England included Colombo, Bombay and Aden where they were not forbidden to land but were advised not to go ashore.

Nothing like an element of danger to arouse curiosity, they ventured into Aden. During their two hours ashore they were continually guarded by British troops.

At Suez they left the ship for an exhausting all day (5 a.m. to 10 p.m.) tour of Egypt which took in the Pyramids and the Sphinx.

In Cairo they realised trouble was afoot when they noticed the massing of troops in the area. They reboarded their ship at Port Said.

A whole day was spent in Valletta, the capital of Malta, where still noticeable are some ruins from the war years.

After this visit and a later trip to Italy the brothers say they have something they lacked before — an understanding of Southern European migrants.

Stops at Marseille and Gibraltar were made before their ship docked at Tilbury.

WITH OTHER AUSTRALIANS IN EARLS COURT

Their London headquarters was a flat (bed-sitter type, one room sleeping two, three or four) at "Kangaroo Valley," Earls Court.

Rumour has it that in this area there are more Australians than British.

At the American Embassy in London they were told Australians are the most travelled people in the world.

In England and on the Continent at any one time there are about 43,000 Australians.

When compared on a population basis, Australia provides the most travellers.

Locals the Brennans saw in London were Ross Sutherland, who travelled over with them, Tom Fleming, Janice Saunders, two chaps from Williamstown and several others from nearby.

London they consider is one of the most expensive places to live but believe it is "The City" in Europe.

At Earls Court they experienced the wonderful "sticking together" attitude of Australians overseas.

All went their own separate ways but if any were "down on their luck" help was always at hand.

Return from a trip "flat broke" and fellow countrymen would provide sleeping space ("doss" on floors in sleeping bags) and the ones with some money lent to the "down and out." Loans were always repaid.

Both Graham and Peter say they have certainly learned the value of a dollar.

STILL FOOTBALL FANS BUT SAW SOCCER

Friends of the Brennans know what ardent devotees they are of football and will wonder at them attending a soccer match in London.

The brothers say they did not understand the game at all but found the atmosphere electrifying.

Sixty to seventy thousand supporters packed the stadium but followers of rival teams were not mixed together as here — each group of supporters kept strictly to their own end of the ground and between them were locked and guarded barriers.

SUMMER SPENT WORKING AT HOLIDAY CAMP

Peter worked as a swimming instructor in London before both of them went to work as "Red Coats" and swimming instructors for the 10,000 weekly holiday-makers at a Butlin holiday camp in the north of England.

The friendliness of the English people impressed them during their stay for the 10 week summer season.

The summer months they found beautiful — there was little sun but the constant temperature of about 72 they considered equal to the Australian 80's.

However, the winter cold, fogs and snow dampened their enthusiasm for the weather, particularly as by becoming snow-bound they missed a planned trip to Scotland.

The outbreak in England of foot and mouth disease prevented a visit to Ireland.

Liverpool and Manchester were two of the English cities where they spent some time.

The only other job they took while away was for six weeks over the last Christmas period at a wine cellar at Tower Hill, next door to the Tower of London.

But they say obtaining work is not a problem for Australians. Employers believe they "will get down to it and have a go" but Graham and Peter warn long hours are worked for little money.

TO EUROPE BY CAR

With two other travellers the Brennans purchased a Door-mobile (1958 Bedford van) and left for a camping tour of Europe.

On the Continent their Australian accents became as good as passports. Their main problem was language, but usually they found somebody who spoke English.

Many countries were visited — France, Belgium, Holland, Germany, Denmark, Czechoslovakia, Austria, Switzerland, Italy and Spain, but not Poland or Russia.

A highlight was the bullfight they witnessed at Barcelona, Spain. They have not become fans of this "sport."

Gambling on the French Riviera was out — no money.

A DAY IN A DUTCH MEAT WORKS

In Holland they decided to earn some cash.

Having worked in Australian abattoirs they got jobs in the "antiquated meat works" at Alkmaar where the working day is from 5 a.m. to 5 p.m. Twelve hours for the equivalent of \$4.50.

Two hours after starting time Graham cut his hand. He finished work.

Peter carried on. All day he worked as a butcher. Just before knock off time the sides of beef all hanging on hooks were ready to be loaded on trucks. The butchers had to do the loading.

Peter started. He threw a side of beef over his shoulder, but when the hook was released from the meat there was a disastrous result.

The carcass was not evenly balanced on his shoulder, it was too far to the front.

When the hook was removed and Peter bore the full weight of the meat, he and the carcass went charging forward through a plate glass window and on to a startled clerk.

Exit Peter from the meat works.

THREATENED WITH GUNS IN GERMANY

They toured all over Germany where visits to prisoner of war camps left them depressed. They passed through Altona, the suburb of Hamburg.

convey to the police the whereabouts of the car and were able to produce their passports. The police attitude changed immediately.

Instead of taking them off to gaol, the police not only explained the whereabouts of the Eiffel Tower, but also took them to see it.

PLANS FOR AMERICA CANCELLED

Back in England, Graham and Peter met with disappointment.

It had been their intention to visit America and work in Canada.

But the work permits they had obtained in Australia had lapsed and could not be renewed in England.

Plans to go to America were cancelled.

However, they visited several North American mainland ports on the way back — Miami, Los Angeles, San Francisco (all in the USA), Acapulco (Mexico) and Vancouver (Canada).

On day trips they toured Disney Land and saw Fisherman's Wharf in Los Angeles.

Stops on the way to America included calls at Madeira, the Bermuda Islands and Nassau in the Bahamas.

Across the Pacific to Honolulu where, by hire car they circled the island and visited the surf beaches.

Suva in the Fiji Islands was their next stop, before continuing to Auckland, New Zealand, and on to Sydney and home.

THEY SOLD AUSTRALIA

Overseas they found people generally lacked a basic knowledge of Australia.

Only point widely known appeared to be that Australia has kangaroos.

This probably being due to most publicity featuring the animals and many of Australia's exports being branded with a kangaroo.

However, in their 12 months away Graham and Peter were able to "sell" Australia. As a direct result of meeting them three people are emigrating to Australia.

CRICKET REPORT

B GRADE TURF

Altona B Grade Turf, aided by a brilliant bowling effort by John Duncan, who took 15 wickets for the match against Newport Baseballers, entered the grand final last weekend.

Altona is to be congratulated on its fielding efforts. The catching was terrific, especially one in particular from David Murphy.

Altona lost the toss and were sent in by the Baseballers.

After a good batting effort from Jim Joyce, who made 49 (keep it up Jim, you will get that 50 before the year ends). Noel Michael then carried on the good work, compiling 45 runs.

Altona were all out for 133 runs in the first innings.

Newport Baseballers started well and were 2/60 when demon Duncan struck and they were all out for 85 runs.

Altona started its second innings well, losing the first wicket at 40, due to a good partnership by Ron McCullagh and Bill Bibby.

Then the collapse started until Jim Joyce came to the crease and hit up a quick 19 runs. Altona was all out for 124, giving Newport 173 to make to win the semi-final.

Altona started off with a good stroke of luck in the first over when Newport captain Reg Simpson was run out. David Murphy showed his experience by picking up the ball smoothly and coolly throwing in to Jim Joyce, therefore getting rid of Altona's main danger.

Then John Duncan really hit his top in bowling, being on the hat-trick and missing by one ball, taking three wickets in four balls. John took 8/16 for the innings and Newport were all out for 32.

CHURCH CRICKET SEMI-FINALS

Over the holiday weekend, the Western Suburbs Protestant Churches Cricket Association Junior Finals were commenced, and also the Senior Grades conducted the semi-finals.

Electra-st. Maths No. 1 appear to have a firm grip on the Junior South flag, whilst Yarraville Baps have done very well in dismissing the strong Tottenham Baps team for under 100 runs.

In Senior ranks, strongly fancied Seddon/Yarraville Congs were easily defeated in A Grade in a very low scoring game, while Kingsville Baps accounted for Barkly-st. Maths.

In B Grade Paisley-st. Baps and Williamstown Maths had a good battle with big scores, the honours going to Paisley-st., while North Williamstown Church of Christ proved too good for St. Stephen's (North Williamstown) in the other game.

In C Grade St. Eanswythe's (Altona) came from behind to defeat Ballarat-rd. Maths, and leaders Seddon/Yarraville Congs had a good win over St. Andrew's (Footscray).

Every game produced some excellent performances worthy of note, and scores of the games are as follows—

A GRADE SEMI-FINALS

Kingsville Baps 142 (G. Jackson 46, Culbard 42, Dunn 16, N. Walker 4/31, Collett 3/31, McPherson 3/48) and 340 (G. Jackson 83, Culbard 76, Dowling 42 n.o., C. Jackson 34, Curwood 2/7, Hollings 4/45), d. Barkly-st. Maths 118 (Bates 30, Kennedy 19, W. Anderson 6/26) and 5/94 (Brown 16, Quinn 15, Collett 17, Davis 20 n.o.).

Tottenham Baps 80 (McGuire 30, Forrester 5/24, K. Hales 3/7) and 3/68 (Gook 30 n.o., L. Murray 2/3), d. Seddon/Yarraville Congs 85 (G. Manton 20, I. Manton 19, Ross 5/35, Watson 5/23) and 61 (Watson 6/24, Ross 3/26).

Final to be played over the next three Saturdays: Kingsville Baps v. Tottenham Baps.

B GRADE SEMI-FINALS

Paisley-st. Baps 284 (Merry 61, D. Clements 50, K. Clements 39, Erm 30, Shorten 24, Payne 24, Mattinson 5/16), d. Williams-town Maths 221 (Sedgwick 80, Brewer 88 n.o., Connell 25, Grimmett 25, Meares 3/39, Merry 3/26, Erm 3/33) and 9/216 (Brewer 86 n.o., Connell 17, Sedgwick 24, Meares 4/54).

North Williamstown Church of Christ 103 (K. Neville 27, G. Morrison 21, Parker 4/16, Clark 3/36) and 115 (E. Neville 55 n.o., G. Morrison 16, Forbes 4/35, Parker 3/7), d. St. Stephen's 61 (Lawerson 6/25, Hayes 3/16) and 77 (Parker 39 n.o., Lawerson 5/29).

Final to be played over the next three Saturdays: Paisley-st. Baps v. North Williamstown Church of Christ.

C GRADE SEMI-FINALS

In a good display of pressure cricket St. Eanswythe's were able to turn a first innings deficit into an outright win and so enter the grand final.

The Saints, winning the toss, sent Ballarat-rd. in to bat, and they made 185 with Ian Haskell showing good form with the ball to take 3/36.

In St. Eanswythe's first they could only manage 146, with Brian Garde (35) and Dennis Garde (55 n.o.) the only ones to make a good score.

After a pep talk from coach Alec Merrill the Saints bundled Ballarat-rd. out for 84, with Jeff Holden (3/35) and Peter Tyrrell (3/20) being the wreckers.

This left St. Eanswythe's 124 to make in four hours. They were able to make the runs with only three wickets down.

Ballarat-rd.—1st innings: 185. BOWLING: I. Haskell 3/22, P. Carlton 1/6, J. Holden 1/37, B. Tyrrell 2/20, A. Merrill 2/22, P. Garde 0/7, G. Stephenson 0/26.

JUNIOR NORTH FINAL. Tottenham Baps 9/98 (White 18, Watson 16, Govan 16, Taylor 4/14, Spicer 3/13), v. Yarraville Baps.

JUNIOR SOUTH FINAL. The grand final between St. Eanswythe's and Electra-st. No. 1 is in a very interesting position at the end of the first day's play.

Electra-st., winning the toss, batted first and at one stage were 1/146 and seemed set for a huge total.

However, St. Eanswythe's fought back and at stumps had Electra-st. all out for 221.

Top scorers were Max Outen (63) and Phillip McTaggart (72) while the best bowlers were Brian Garde (5/55) and Geoff Stephenson (4/62).

ALTONA CRICKET SOCIAL NOTES

Holidays come and holidays go but some stick in your mind, like recently when president Frank Kirk and his wife Effie were bogged down somewhere in the bush. Frank set out for assistance, leaving Effie to guard the car.

Soon after his departure, Effie noticed some big black birds circling overhead. Thinking they were vultures she waved wildly out of the window yellow, "Go away, go away, I'm not dead!" A case of mistaken identity—the birds were crows!!

An important date for your diary is Friday, March 22, when at 7.30 p.m. in the cricket pavilion the ladies of the cricket club are having a children's fancy dress party. The party is not just for associates of the cricket club, in fact the president of the Ladies Auxiliary, Mrs. Scholes, and the committee extend a welcome to all to bring along their children. Admission: adults and children 10c each.

The fancy dresses of course will be judged and prizes given. There are still a few tickets left for the cricket club presentation dance to be held in the Civic Hall on April 5—but these tickets are going very fast—so hurry along, you late buyers. Price of a double ticket is only \$4.50.

FOOTBALL LEAGUE FINANCES DOWN

The Western Suburban Football League will only exist on bare necessities again next season unless some attempt is made to boost the League's finance the Administrator, Mr. C. K. Hodgson, told footballers and supporters at their annual meeting last week.

The League lost \$115.89 on operations for the 1967 season.

The 1967 finals only yielded a profit of \$20.20 as against \$539.49 for the previous year. Funds raised from socials were approximately the same for both periods—\$271.97 for 1967, and \$269.45 for 1966.

The statement taking into account all receipts and expenditures for the year showed the League had reduced the credit balance of \$358 with which it began 1967 to \$338.61.

Most clubs affiliated with the League are in a similar position, some worse, said Mr. Hodgson.

He suggests a combined effort with the League and clubs benefitting would be preferable to the last resort—levies.

Mr. Hodgson contends that more and more club members are expecting benefits from their club without contributing to its welfare.

He pointed out that promotion of the game becomes more costlier each year and club

members must be made to realise that as such they are responsible for their share of the expense involved whether by direct payment or group effort.

LIFESAVING CLUB HOLD CHAMPIONSHIPS

The Altona Life Saving Club Championships were held last Saturday afternoon and the weather for a change was quite pleasant.

It was disappointing to see such a small number of spectators though one realises there are numerous counter attractions on a Saturday afternoon but those that did attend witnessed a good afternoon's entertainment.

It was gratifying to see so many Councillors present though several had other engagements and had to leave early.

Those present were the Shire President Cr. H. W. Lee, J.P., and Mrs. Lee, Cr. J. J. Giniher, M.L.A., and Mrs. Giniher, and Crs. W. J. L. Crofts, P. A. Burns and A. W. Bond.

The Championships opened with the March Past which was led by the junior members of the Club and pupils of the Learn to Swim classes, followed by the teams which have represented the Club in the Royal Life Saving Society's Carnivals during the season.

Commentator H. Kip remarked that unfortunately Altona had once again been relegated to B Grade after 2 seasons in the upper circle. Competition in A Grade had proved a little too strong for the present small number of Senior members but the club was strong in junior membership and the less severe competition in B Grade could prove a blessing.

The juniors would gain more success in this sphere and he was confident the Club would do better in the future. The club had also missed two Carnivals in order to maintain full patrols on the Altona beach.

In the absence of the Club President, the Senior Vice-President, Mr. J. Byrne welcomed the Shire President and Councillors and other visitors to the Championship. Mr. Byrne said the long hot summer had brought more visitors to the beach than ever before. Large crowds, north winds and rubber rafts had im-

posed heavy responsibilities on the Life Savers but he was glad to say there had been no fatalities while the Life Savers were on duty.

There had been an increase in the number of First Aid cases treated but less cut feet caused by glass. This proved the value of Operation Beach Clean conducted by the Life Savers and other organisations in the Shire.

LEARN TO SWIM

Mr. Byrne said over 150 certificates had been gained by pupils in the Learn to Swim Classes. Pupils who had gained certificates for 100 yards were now eligible to join the club.

REEL AND LINE SUCCESSES

He paid tribute to the Senior Boys, Senior Girls and Junior Boys' Reel Line and Resuscitation teams which had qualified for the Royal Life Saving Society's Championships held at Carrum on March 3. These events are open to all Life Saving Clubs in Victoria and to finish 4th, 4th and 5th respectively was most creditable. He also praised Sandra Butters and Sandra Edwards for qualifying for the final of the Junior Girls Cylinder Rescue and Reg Swarbrick for gaining a place in the final of the Senior Men's Alarm Belt Race.

Mr. Byrne then invited Cr. Lee to officially open the Championship Carnival.

Cr. Lee said he wished to congratulate each and every member who had taken part in the March Past — from the Pennant Bearer down to the smallest junior member.

He said they were a fine ex-

ample for the youth of Altona. He hoped the seniors would carry on with the good work and told the juniors they belonged to a very good club. The Council recognised the important work the Life Savers did for the community, not only in Altona but throughout Victoria.

Not only did they help to keep the beaches safe for swimmers but also helped to keep the beaches clean by participating in "Operation Beach Clean" an idea conceived by the Life Saving Club. He was glad to say that Sandringham Council had adopted a similar scheme and that Seaford Foreshore Committee had informed him that they hoped to put the idea into operation next summer.

Cr. Lee then declared the Championships open and wished every member success.

THANKS

Thanks are expressed to all Beach officials, First Aid Officer G. Shanahan and members of the Ladies Auxiliary who all contributed to the success of the afternoon. Also members who turned up in the morning to clean up the beach and clubhouse prior to the Championships.

STARS SAINTS and SINNERS

THOUSANDS AT 3UZ POP FESTIVAL

Thousands of young people witnessed one of the wildest happenings ever staged in Melbourne, last Thursday night. The occasion was 3UZ's Moomba Pop Music Festival at the Myer Music Bowl.

Held in conjunction with Hoadley's, the festival ran non-stop from 7 p.m. to 10.30 p.m. with music provided by a star-studded line up of Australian groups and artists.

I arrived at the festival (late as usual) some time after 8 p.m. and the chances of getting anywhere near the stage looked pretty slim. However, a quick wave of an expensive looking camera by Jim (my photographer friend) coupled with the magic word, "Press" ensured us of a grandstand seat.

On stage at that time were the "new-look" Vibrants looking very impressive in white silk shirts, orange slacks and white shoes. At first I didn't recognise them without their lead singer, Rupert (who has left them), but their numbers were good and they were not in any way perturbed by continuous screams of "Normie!"

As the Vibrants moved off stage there was a lull while Johnny Chester made a few comments on behalf of the "Greater." This was suddenly broken by screams galore when Johnny Young came on stage throwing (would you believe?) Violet Crumbles to the crowd. For a while it was like the Beatles' Festival Hall Show all

over again and when Johnny ripped off his coat to burst into a song the noise was so great that I couldn't hear myself think.

Johnny's backing group, The Word, could only just be heard above the screams and at times the police (who did a marvellous job) had to move quickly in order to prevent over-enthusiastic fans from storming the stage. The crowd began to settle down when Johnny finished up with "Cara Lynn," which had everybody clapping in time.

Johnny and his group ran off stage to cries and sobs of "More," which were answered with the appearance of the Procession's favourite dee jay, Stan Rofe. While the Masters' Apprentices' equipment was being thrown on stage, Stan presented "Miss Moomba" with a "Nicest Listener Award." Poor old Stan could just be heard above a barrage of "wolf whistles" from the male section of the crowd.

Then, amidst huge clouds of smoke the Masters Apprentices appeared—with wild gear—a wild stage act—and wild numbers. Now and again it was possible to catch a glimpse of them amongst the smoke and singer Jim Keays looked just too much in a pair of matador pants and a see-through silk shirt. The Masters' further proved the point I made last week when they repeated the brackets that they sang at "Bus Stop." These included "Living in a Child's Dream," "Elevator Driver" and "Tin Soldier."

Next on stage was the vivacious Miss Lyn Randall, who wowed the boys with her white pleated mini skirt. (I believe all photographers were using telephoto lenses at the time.) Lyn had the crowd with her all the way as she sang "Goin' Out of my Head" and "Ciao Baby." And she was the first artist (up to then) who had the audience under complete control when she sang the old Johnny O'Keefe favourite "Shout." Yes, Lyn walked off stage to a smiling Carol West and to cries of "We want Lyn!" She was backed by a group called the Young Once.

A group with plenty of bounce were The Cherokees who "turned on" their usual crazy stage act and started more brawls than any other group that night. The lead singer started it off when

by
Ron
Coleman

he threw his shirt into the crowd. After a considerable amount of pushing, shoving and wrestling police had to pull young people apart and the Crazy Horse who started it all had the cheek to barrack on stage.

The next lot of trouble was sparked off when the drummer threw his drumsticks into the crowd. I had the embarrassment of a girl and boy wrestling for one of them at my feet. After a few good hits, the girl won, and walked away with her prize.

By the time The Groove came on, the stage was littered with streamers, screwed up newspapers, shoes and other rubbish.

These boys barely finished their first number when police had to move in to break up a fight between two girl spectators. (Yes, any trouble last Thursday was caused by the WEAKER?? sex in one way or another. On one occasion I saw a mischievous young lady knock a policeman's cap off his head and later another girl was being carried away by two policemen.)

Once the distractions were over, people were able to listen to the Groove who did not have a stage act but were probably the best group performing on the night. Numbers they sang included "Monterey," "Homburg," and "Simon Says."

Their new record, "Soothe Me," had the entire audience clapping and swinging. And these boys were the only group to receive a real curtain call.

When the Bobby James Syndicate came on, the crowd went Groove, but soon changed heart when Ronnie Burns bounced on beserk and demanded the stage. By now the audience was mad, insane, hysterical and the police lined the front of the stage as enthusiastic spectators surged forward. At this point things became frightening and I wondered, if the police (who had called in re-inforcements) would be able to hold back what was fast becoming a mob.

However, full marks should go to our Victoria Police, as Ronnie was able to sing on in safety, numbers like "Coalman," "To Love Somebody," "Land of a Thousand Dances" and "When I Was Six Years Old."

After a quick encore by Ronnie the show was over at 10.30 (half an hour earlier than planned).

Summing up, it was a great show and one to remember and I am happy to be alive enough to have reported it.

If you are interested in acquiring photos of the event write into the "Star" and we will see what we can do for you.

ROCK IS COMING BACK

Rock 'n' Roll is coming back—and in a big way, too. Why is it coming back? Because the Beatles intend to play it. Need I say any more?

It seems that the Beatles have gone as far as possible with their psychedelic music and feel that it is time to return to the sound which started it all.

Or could it be that they have become bored with the use of orchestras and latest sound effects to produce the most abstract of records?

Naturally the sound will not be quite the same as it was in Bill Haley's day, but that would be asking too much. However, this decision by the Beatles could prove to be a healthy retreat from the mind-bending, drug-influenced, psychedelic music that some groups are playing today. The main problem will be getting teenagers to dance to the faster beat.

Strong promoters of the big beat (while the Beatles have been meditating) are British group The Who. The Who intend to release a rock record soon.

Meanwhile our Stan Rofe will be as happy as a puppy with two tails and this could be a good time for Pete Watson's Rockhouse to tour Britain.

—On the Scene—

British singer-guitarist, Joe Brown (an old favourite of mine) has recorded "Bottle of Wine."

British group, The Who, are to have their own television show. Iguana's record has still to be released.

Tony Henry's group has just released a record through EMI.

New group to hit Melbourne scene is called The Brigade.

What will Doug Parkinson call his new group?

Has Vera developed those photos yet?

Have you been to a shop in Melbourne called The Tivoli Flea Market? The servants there all sport Grecian beards (including girls), and there is a strong smell of some exotic incense.

Normie Rowe will make an exclusive appearance at "Lord John's," Canterbury, on Saturday night.

Lulu will make another movie and Twigg intends to switch from modelling to acting.

SINNERS

Sinners this week are those young ladies from Werribee who decided to do their best to spoil Lynne Randall's performance at "Bus Stop," Werribee, last Sunday night.

However, Lynne called their bluff and showed the crowd that she wasn't going to let the little gang of nuisances ruin her act.

I suggest you refuse admission to the nuisances in future, Mike.

ALTONA CAMERA CLUB HOLDS FLASH PHOTOGRAPHY CLASS

The why and wherefores of Flash for Photography were demonstrated in detail by Bob Tawkins at the Club's weekly meeting last Friday night. By using black and white slides which he had produced himself, Bob was able to describe and show conditions under which flash can benefit the photographer.

Eliminating harsh shadow, by reflector sheets or a second synchronised flash, were just a few of the points covered in the lecture. And, thanks to Bob, these slides and notes he compiled will be kept by the club and re-introduced at a later date.

Cameras, cameras and more cameras. Everyone is asked to bring their cameras along to the next meeting on Friday March 15. There are no more details so you will have to wait until Friday night to find out what's planned.

A reminder to those intending to enter this month's competition. The theme is "Portrait" which can be a study of a person, head study or full length.

There is only one week left to do something about it, as entries must be handed in on March 22, so hop to it, and let's see some really good entries.

PEOPLE SHOULD NOT SEEK GAIN AND REVENGE THROUGH FOOTBALLERS ADMINISTRATOR'S ANNUAL REPORT

Junior football clubs should be free of individuals who manipulate the innocent youths for personal gain and revenge, said Mr. C. K. Hodgson, Administrator, at the annual meeting of the Western Suburban Football League at Newport Oval last Friday night.

Mr. Hodgson made this comment after reference to difficulties encountered by the Under 18 teams during 1967.

In his report he said:-

"Season 1967 may well go down as the most troublesome in football history and the predicaments which befell the WSFL amongst the most serious which occurred. The Under 18 suffered them all, from team withdrawals to the unnecessarily forfeited Grand Final.

Handled sensibly and in accordance with the Rules, most of these problems would not have reached the magnitude they did. The reluctance of some Club Officials and Delegates to place their worries before the League and eagerness of some people to see their names and exaggerated and/or secondhand comments in print, proved the greatest difficulty in dealing quickly and efficiently with these matters.

Clubs which prefer to operate under their own terms and conditions usually bring about their own downfall and at the same time invite the disdain of others. In under age football the importance of mature guidance in grooming lads for careers in the game both on and off the field, cannot be overemphasised. The manipulation of innocent youth for personal gain, revenge or to evade liability is detestable and every effort must be made to keep the Junior Clubs free of the type of individual who prefers these methods to attain their selfish aims.

ALTONA - UNBEATABLE JUNIORS

Commenting on the clubs and their performances Mr. Hodgson said:

"Because of the age rule Altona Under 18 lost few of their successful '66 team and became unbeatable - possibly the best under 18 side anywhere for many years. Werribee were not far behind them in ability but lacked the physical strength of the Premiers. Under the circumstances it would have been the match of the season had the Grand Final been played out.

(Werribee refused to play the grand final match and forfeited to Altona).

OPEN AGE PREMIERS DESERVED WIN

Regarding the Open Age series Mr. Hodgson said:

"Maidstone were never lower than second on the ladder so their win in the Grand Final was not surprising but well deserved. Central Altona worked their way up to top position and appeared to have reached their peak at the right time but for the second year in succession found finals a nightmare.

Newport, West Newport and Laverton battled for the last two places in the four for most of the season and it was not until the second last round that the latter relinquished their claim.

ALTONA SOCCER CLUB JUNIORS

Last Saturday Altona Under 14 team played Newport in the semi-final of the Peter Elwin cup at Kim Reserve and lost to a much bigger side, 3 goals to nil.

There was plenty of good soccer from both sides and everyone watching had a lot to shout about, as the boys put everything they had into it. In the other semi-final Keilor had a walkover.

In the Noordenne Cup Under 12, Newport beat Sunshine. J.U.S.T. beat S. Sunshine.

Next Saturday is Noordenne Cup Final at 11.30.

J.U.S.T. v Newport.

Peter Elwin Cup Under 14 at 1 p.m.

Keilor C v Newport.

Newport showed their usual doggedness by winning the 1st Semi and going through to the Grand Final. New team RAAF although handicapped by mid-year postings, gave strong opposition and with a little more stamina could have won more matches.

South Kingsville indicated that they were developing along the right lines and with the experience gained by their youthful team, could rise next season. West Newport lost a number of stars to Senior Clubs and could not replace them, whilst injuries stopped Laverton from winning the necessary matches to take part in the finals.

MORE OPPOSITION FOR UNDER 16's

On the Under 16 teams Mr. Hodgson reported:

"West Newport and Werribee provided the strength with the latter improving sufficiently to win the Grand Final easily. Altona showed the most improvement and won their share of matches. Newport looked set for a good season with some capable players in the side but they did not get the rewards anticipated. Devon Park fielded the youngest team and with the experience gained by these lads in their two years together, should provide stronger opposition next year."

FREIGHT TRAINS TO STOP USING NEWPORT GOODS YARD

Handling of freight trains at
Newport good yards is expected
to cease by August this year.

This was the reply to a ques-
tion asked in the Legislative
Council by Cr. A. W. Knight,
member for Melbourne West.

Mr. Knight asked "Is it pro-
posed to restrict operations at
the Newport goods yard; if so,
when will these restrictions
commence, and what are the
reasons for their introduction?"

The Minister of Agriculture
(Mr. G. L. Chandler) replied —
"It is expected that by Aug-
ust the handling of freight trains
now performed at Newport will
be carried out in the Melbourne
yard and Tottenham with im-
proved freight train running and
economies in operation being
achieved."

LAVERTON POST OFFICE

The Director, Posts and Tele-
graphs, Mr. G. N. Smith, has
advised Mr. M. W. Lee, Federal
Member for Lalor, that arrange-
ments were made to transfer
the Official Post Office activities
from the confines of the RAAF
Laverton area, to new premises
at 91 Railway Avenue, Laver-
ton, as from Monday the 4th
March, 1968.

Letter and telegram deliveries
formerly performed from the
RAAF Laverton Post Office have
also been transferred to the new
office and this arrangement will
be of greater benefit and added
convenience to the residents of
the Laverton town area.

A Non-Official Post Office
providing all counter services
and facilities required by RAAF
personnel will be retained at
the base.

GRANTS AVAILABLE FOR YOUTH ORGANISATIONS

The Chief Secretary (Mr. A. G.
Rylah) announced last week that
youth organisations seeking fi-
nancial assistance from the Vi-
ctorian Government during 1968-
69 should submit applications to
the Youth Advisory Council at
the earliest opportunity.

Financial assistance will be
made available under five cate-
gories.

1. Building Grants: for the
erection, alterations of or

FALSE REPORT TO POLICE BRINGS FINE

Each Christmas Day will bring back
memories of a false statement to police
for Barry Francis Jones of Queen Street,
Altona.

It was on last December 25 that he made a false
statement and caused an investigation into an assault
which did not happen.

On the same day he willfully
damaged four glass louver windows of a telephone box.

In Williamstown Court last
week he pleaded guilty to both
offences and was fined \$25 for
making the false report and
another \$20 for breaking glass.

Maurice Boyden, investigator
with the PMG, told the Court a
PMG telephone box was damaged
at the corner of David-st. and
Civic-pde., Altona. The value
of the broken louver was \$6.

A statement by a local doctor
said that he had treated Jones
and another youth for cuts to
the hand.

They told him they had been
assaulted and received the
injuries that way. The doctor
phoned and notified D24.

The injuries were consistent
with being cut by glass.

Constable Pitts, of the Wire-
less Patrol, said he went to the
Altona Hospital and saw the two
youths. They told him they had
been assaulted at the Altona
beach by four youths in a Holden.

The lads accompanied him to
the Esplanade and pointed out
the position of the assault.

Constable Pitts said he then
reported the matter to the Williamstown CIB.

Detective Neville Nunn told
the Court he saw the defendant
on December 26 in Civic-pde., Altona,
and accompanied him back to the CIB where he questioned him.

He told Jones there was a
trail of blood from the telephone
box to a house in Civic-pde.
where Jones had been the night
before.

Jones then admitted punching
in the louver. He said he and
the other lad had just decided to
smash the windows as they
passed.

His hand was cut by the glass.
Jones admitted making a false
report to the police, and said he
had to do that to get his hand
stitched. He and the other youth
made up the story about being
assaulted. But when the doctor
rang the police they had to tell
the police the same story.

No Money, Sold Stolen Goods

Vagrancy charges as well as
larceny were proved against
a thief who appeared in Williamstown Court last week.

Having no money after not
working for 3 months he went
to a flat to try and get money
for drink and stole a transistor
radio and electric shaver.

Harold James Purchase of
River Street, Newport was
charged with stealing the radio
and shaver, valued at \$40. He
was also charged with being
a person having insufficient
lawful means of support.

He pleaded guilty to both
charges.

James Henry Lewer of Nelson
Place, Williamstown told
the Court his radio and shaver
were stolen from his flat.

In evidence Senior Det. Roy
Wilson of the Williamstown
CIB said he interviewed defendant
and told him the property
had been recovered from a second-hand shop.

Purchase admitted taking the
articles from Lewer's flat. He
said he had gone there to try
and get some money for a drink.

He took the goods and afterwards
sold them for \$3 to two
men sitting on a seat. Purchase
said he had not worked for at
least 3 months and had no
money. Meals were provided
by a relative.

The Justices of the Peace
on the Bench sentenced him to
3 months goal for larceny and
3 months for vagrancy making
them cumulative. He was also
ordered to pay \$4.50 costs.

Work Delayed on New Destroyer

Industrial unrest at Williams-
town Naval Dockyard is hold-
ing up the Navy's refit pro-
gramme as well as construction
of the new Type 12 Destroyer,
HMAS Swan.

The completion of the refit of
the Training Ship HMAS Anzac
has been delayed, and the refit
of the Type 12 HMAS Derwent,
which was due to have been
completed this month, has also
been extended as a result of the
strike.

With the completion of Swan
and its sister ship HMAS Torrens
now building at Cockatoo
Dockyard, Sydney, the Dockyard
will be used for the regular re-
fitting of six (6) Type 12 De-
stroyers as well as other refitting
work. In addition, modernisation
of the Daring Destroyers,
HMAS Vampire and HMAS Ven-
detta will be undertaken at the
end of next year at Williams-
town.

As to the immediate future,
work will begin soon on three
new steel-hulled Torpedo Recov-
ery Vessels. These vessels, of
90-ft. overall length, are due
for completion in July, 1969. Sep-
tember 1969 and November 1969.

The ships will be used for the
recovery of all types of practice
torpedoes used by the RAAF
and RAN, as well as
other duties, including target
towing and control of radio-con-
trolled surface targets.

Combined State School Sports

The combined Swimming
Sports were held at Werribee
Pool on March 7, 1968.

Seaholme finished third behind

in swimming and much credit
must be given to Mr. Mannering
and Miss Nankervis for their
training and development of
team spirit and sportsmanship.

The trophy for over-all girl
champion went to Leanne Webb.
Leanne trained exceptionally
hard for these sports and well
deserved her success.

Winners from Seaholme were:

are as follows:

No. 1 Team will meet Flemington

Last Monday the Annual La-
bour Day tournament was held
and some 112 bowlers attended.
The day was a complete suc-
cess and the associates are to be
commended for particularly good
catering.

The lunch and afternoon tea
was excellent.

There were only two four-
game winners and in the play-
off T. Decis of Newport defeated
G. Bush of the Seddon Club.

The trophies were presented
by the Club President Mr. T.
Burke who thanked all mem-
bers and visitors for their at-
tendance and hoped they would
enter again in the coming year.

ALTONA IN SOCCER FINAL

Altona defeated Albion Rovers 3 goals
to nil and will now go forward to meet
Sunshine City in next Saturday's final of
the Noordenne Cup.

This was as hard a game as the Maroons have
ever had, the day was hot and the pace even hotter—
no room for weaklings, you had to be fit to stay in
this game and it was in the field that Altona won.

Coach Harry Sutherland has
the lads in fine physical condi-
tion: Jim Black made a welcome
return to the side after a year
in the "bush".

Over 300 people turned up to
see this game. The "Maroons"
were first to get into top gear.
Barry Stevens missed from four
yards. Herman, Coles and Cook
tried hard to score but the
ground conditions made the ball
bounce awkwardly at the critical
moment.

Balish, Grecco and Black were
a solid half back line, and it
was old "foxy" Grecco who op-
ened Altona's account — a free
kick on the right. Mario's ac-
curate lob was a goal all the
way.

Albion fought back but Milloy
and Karamatos held them at
bay and at half time it was 1-0
for Altona.

In the second half Ian Rob-
erts gave a great display of goal-
keeping. The locals gave this
young giant a great ovation for

many a fine save.

"Professor" Wilkie was coming
into the game & Herman's speed
was a problem to the Rovers.
Billy Coles hit the bar with a
great shot — this was followed
up by a goal in a million. Bal-
ish to Stevens on to Cook, David
beat the full back, crossed a
high ball into goals and there
was Steve Herman flying
through the air to bullet home
Altona's 2nd goal.

Albion never stopped trying
but Herman knocked the wind
out of their sails with a third
goal scored with his left foot
as he outpaced the Albion de-
fence. A very good perform-
ance by Altona.

Next Saturday Altona play
Sunshine in the Noordenne Cup
Final — 3 p.m. on Kims Reserve.

Altona have never won against
Sunshine. What a great morale
booster it would be for Altona's
entry into the First Division
if they could defeat this strong
side and win the Cup.

ALTONA A CITY — RUSH MOVE

Sir, Some two years ago I pointed out to Messrs.
Lee, Ginifer Stirling and Co. that unless they re-orient-
ated their thinking and talking to come into line
with the wishes of the ratepayers they would be on
the outside looking in and despite howls of protest
and derision from certain parties each council elec-
tion has proved how right my words were.
